

At Emploi Connexion Inc., we place great importance on safeguarding your privacy and security. We will never require candidates to:

- Pay any type of fees to work or receive payment from us.
- Make cash advances or check deposits to us or any third party.
- Cash checks from various sources.
- Purchase a product, service, or gift card.
- Provide sensitive financial information such as credit card numbers or PIN codes.

We do not send job offers or request candidates to submit applications via instant messaging services like Telegram. Additionally, we will never ask candidates to provide government identification numbers, such as social security numbers, or banking/payment information through instant messaging services.

We neither send nor request money through mobile payment applications or digital wallet platforms such as, Skrill, Shopify, or Google Pay. We will never ask for payments in cryptocurrency.

Emploi Connexion Inc. does not hire candidates for positions in countries where we are not authorized to conduct business. Please refer to the dropdown menu in the footer below to see the list of countries where we operate.

If you receive requests similar to those described above, it is likely a form of fraud. Feel free to contact us if you believe that the name of Emploi Connexion Inc. is being used to obtain such information.

What to Do if You Suspect Fraud

Please contact our customer feedback team at info@emploiconnexion.ca if you receive suspicious communications referring to Emploi Connexion Inc. or any of our professional practices. Suspicious communications include those asking for personal information or requesting payment via email, instant messaging, or social media.
